Good afternoon Mr. Stamoulis:

I would like to extend a hearty "Thank You" to you as Supervisor of Elections for Charlotte County and to your able and talented staff for a most thought-provoking series of classes these past ten weeks. Both the regular sessions on **Government and Politics** as well as the special Thursday presentations were timely, objective, sometimes humorous, and always informative.

In particular, the class presentation on election administration provided welcome insights into the safety procedures utilized during an election cycle. This reassures the electorate that the vote count is reliable and complete and accurately reflects the will of the people.

Again, thank you and please convey my appreciation to Linda Armstrong-Deeble, Liz Burke, Ana Lopez, Kelly Richert, Stephanie Richert, William Richert, Lou Spacco, Vinnie Treppiedi and anyone else whose name I may have inadvertently omitted. You are blessed with a most dedicated and helpful staff all of whom represent Charlotte County well.

Please keep me posted of future efforts in education for an informed electorate.

Sincerely,

Gerry Schreibman
