<p>Voter Control of Gambling in Florida</p> <p>This amendment ensures that Florida voters shall have the exclusive right to decide whether to authorize casino gambling by requiring that in order for casino gambling to be authorized under Florida law, it must be approved by Florida voters pursuant to Article XI, Section 3 of the Florida Constitution. Affects articles X and XI. Defines casino gambling and clarifies that this amendment does not conflict with federal law regarding state/tribal compacts.</p> <p>The amendment's impact on state and local government revenues and costs, if any, cannot be determined at this time because of its unknown effect on gambling operations that have not been approved by voters through a constitutional amendment proposed by a citizens' initiative petition process.</p> <p><input type="radio"/> Yes</p> <p><input type="radio"/> No</p>	<p>Rights of Crime Victims; Judges</p> <p>Creates constitutional rights for victims of crime; requires courts to facilitate victims' rights; authorizes victims to enforce their rights throughout criminal and juvenile justice processes. <p>Voting Restoration Amendment</p> <p>This amendment restores the voting rights of Floridians with felony convictions after they complete all terms of their sentence including parole or probation. The amendment would not apply to those convicted of murder or sexual offenses, who would continue to be permanently barred from voting unless the Governor and Cabinet vote to restore their voting rights on a case by case basis.</p> <p>The precise effect of this amendment on state and local government costs cannot be determined, but the operation of current voter registration laws, combined with an increased number of felons registering to vote, will produce higher overall costs relative to the processes in place today. The impact, if any, on state and local government revenues cannot be determined. The fiscal impact of any future legislation that implements a different process cannot be reasonably determined.</p> <p><input type="radio"/> Yes</p> <p><input type="radio"/> No</p>	<p>First Responder and Military Member Survivor Benefits; Public Colleges and Universities</p> <p>Grants mandatory payment of death benefits and waiver of certain educational expenses to qualifying survivors of certain first responders and military members who die performing official duties.
