September 16, 2011

The Hon. Paul A. Stamoulis
Charlotte County Supervisor of Elections
P.O. Box 511229
Punta Gorda, FL 33951

Dear Supervisor ^{Paul} Stamoulis:

We thoroughly, thoroughly enjoyed your talk about reapportionment, redistricting and voting yesterday. Who would have thought elections could be so interesting? But we weren't surprised. Both Jim Stevens and Joe Blais gave us advance notice that it would be very good. I wouldn't even have been surprised if one of your long-ago characters stepped out from some hidden spot!

All of this is by way of saying "thank you" for an enjoyable, informational and all-too-short presentation!

Sincerely,

Tess Canja, President
