Dear Paul,

On behalf of the Charlotte County Chamber, I want to thank you for speaking at the Chamber Coffee earlier this month

Your update on the redistricting process was very informative. It will be interesting to see how it turns out. Thanks, too, for outlining the information you give to students encouraging them to be involved in the electoral process. I need to brush up on my history after learning from you.

We appreciate your continued support of the Chamber.

Sincerely,

Julie Mathis
Executive Director
