The Honorable Stamoulis and Mr. Spacco::

It is with sincere appreciation I write this note. Your time and effort to collaborate with me for our sixth graders on Thursday, May 7, has left a deep impression upon me. More importantly, the impression you left upon *our* students is definitely lasting one. Your enthusiasm for elections and democracy is contagious. I was personally and professionally impressed by the instinctive ability both of you demonstrated to adjust your vocabulary, amount of content, and mannerisms to meet the needs of every class.

I happily anticipate future opportunities to collaborate with the Office of the Supervisor of Elections to benefit the students of Charlotte County. We are sure to "*Ride the Wave to Success*" here at Murdock Middle School because of our partnership with your office.

Very truly yours,

M.C. Heffner, M.Ed., Ed.S.
