Dear Sir,

On behalf of my colleagues, I'd like to thank you for your presentation "The Great American Comeback Tour" recently performed for our 7<sup>th</sup> and 8<sup>th</sup> graders in our Civics and Law Studies classes.

Your presentation involving so many historical figures was interesting and colorful as well as age-appropriate in length and content. The actors were well versed and interesting in their delivery of so much important historical information about our country's history. Our students learned so much from your presentation.

Thank you so much for your interest in our young citizens!

Sincerely,

Josephine Keating
